AMSYS EDUCATION DIVISION

Full Lifecycle Technology Partner for Higher Education

From strategy to hardware to day-to-day operations — one partner across the full technology lifecycle, so campuses stop stitching together vendors and start working with a single accountable team.

Tennessee State University · Prairie View A&M University · Southern University System · Binghamton University · Ohio State University · CU Boulder · Princeton University · Mellon Foundation

Solution Portfolio

SEVEN PILLARS · STRATEGY → OPERATIONS

01 · STRATEGY

AI Governance Readiness Assessment

Fixed-fee assessment establishing policy, risk, and compliance foundations before AI deployment.

PROVOST · CIO

02 · SECURITY

CampusShield™

Managed physical security & technology optimization — assessment, audit, remediation, managed program.

CIO · CISO

03 · WORKFORCE

Academic Cyber Range & Threat Simulation Lab

Turnkey 20-student hardware lab, NSA CAE-CD aligned and Title III/NSF grant-eligible.

DEPT. CHAIR · CIO

NEW

04 · OPERATIONS

Managed Services

Help desk/NOC, identity & access management, application (LMS/SIS), and cloud/data center operations — delivered on campus's behalf.

CIO · IT DIRECTOR

NEW

05 · WORKFORCE

NEW

06 · INFRASTRUCTURE

Staff Augmentation

Interim IT leadership, project-based technical staff, and surge staffing for migrations, incidents, and accreditation cycles.

CABINET · HR · CIO

Hardware Refresh

Classroom/lab, network, and data center refresh cycles — capital purchase or Device-as-a-Service.

CIO · CFO

NEW

07 · SECURITY HARDWARE

Cyber Appliances

Next-gen firewalls, EDR/XDR, network segmentation, and backup/DR appliances — the direct remediation output of a CampusShield audit, with attached support contracts.

CIO · CISO

STEP 01	STEP 02	STEP 03	STEP 04
Free or fixed-fee assessment	Scoped engagement or audit	Remediation / build / deployment	Recurring managed program

Let's talk about your campus.

Every engagement starts with a conversation about your mission, not our technology. Reach out to schedule a discovery call.
